ROYAL COLLEGE OF DENTAL SURGEONS OF ONTARIO

OFFICE OF THE DEAN

MINUTES OF THE FIRST MEETING OF THE UNIVERSITY OF TORONTO DENTAL RESEARCH COMMITTEE. HELD IN THE PRESIDENT'S ROOM, JAN 22, 1918.

Present;- Sir Robt. Falconer (in the chair.)
Drs., McDonough, Webster, Trotter,
Profs., Mackenzie, Fitzgerald, and Mc Murrich.

Moved by prof. Mackenzie, seconded by Prof. Fitzgerald, that DR. Webster act as secretary of this committee carried.

Dr. McDonough as president of the Canadian Oral Prophylatic Association. repated that the sum of one thousand dollars would be immediately deposited with the Bursar of the University to cover expenses of research work until June, 30, next.

It was decided that "Trench Mouth " would be a suitable problem with which to commence research work.

A discussion as how best to obtain a satisfactory laboratory assistant to help in the research technic work approved of the idia of endeavering to obtain a lady graduate in Household Sience.

Moved by Prof. McMurrich, seconded by Dr. Trotter, that Dr. Webster Fitzgerald, and Mackenzie, be a committee to select a suitable laboratory assistant at salary of sixty dollars per month to wo work under the supervision of Prof. Mackenzie and that they report their dicision to the chairman, Sir Robt. Falconer, for him to recommend the appointment to the Board of Govenors.

The sum of one hundred and fifty dollars was apportioned to cover incidental expences, maintanance and equipment up to June 30 next and to be paid out by the Bursar upon the authority of th secretary, Dr. Webster.

It was suggested that this committee request Dr. Box to accept responsibility supervising the work of the assistant and that Dr. Mackenzie be asked to accept the oversight of the work in his laboratory.
